# The Villages Photography Club 2011 Program

The mission of The Villages Photography Club is to allow members to improve their photographic skills and to provide an outlet for their photographic talents. Our members' photographic knowledge ranges from beginner to quite accomplished.

We like to share our experiences, and newbies are encouraged to ask questions. Expensive cameras and computer equipment are not required for membership.

We have formal meetings from October through May at 12:30 p.m. on the first and third Wednesday of each month in the Julio Iglesias Room at the Hacienda Recreation Center. Non-perishable food items are collected at the beginning of each meeting. Meetings start with 30 minutes of socializing; the formal program begins at 1:00.

Most programs offer two presentations and a session in which members' pictures are critiqued and rated by volunteer judges. Submitted pictures can be of any size, but they must be mounted on an 11" by 14" mat.

Guidelines for submissions and critiquing of pictures are on our web page. Visit our display of recently honored pictures at Lil'Bits Restaurant in The Palm Ridge Plaza.

#### Program Schedule: Spring 2011

Date	Tech-Talk	Program	Critique
01/05/11	Photoshop: Monochrome. Betty E.	Polarizers Panel	Wide-angle Photo
